We still have Whitney, Lauren, and Amanda!!!

## ***Just a quick recap of January***

We Zen doodled, stacked cups, made clothespin dolls, play dough, emoji cards, bound books and made indoor lawns. G.A.P. kids had a visit from Marie Tesch, a Camelot grandparent, who brought her paints and taught a group acrylic painting techniques. We will be seeing more of her throughout the spring.

## ***February***

We are going outside most days. Please send layers.
