# COME VISIT OUR TEMPERATE GRASSLANDS!

In our Temperate Grasslands there is an average rainfall of 10-30 inches per year. Temperate Grasslands are found mainly in middle latitudes, in the middle of continents in places like South Dakota, Nebraska, Russia, and South America, Grasslands Are EVERYWHERE!!! Some of animals that can be found are Coyotes, Eagles, Bobcats, the Gray Wolf, Wild Turkey, Geese, Beetles, Bison and Prairie Chicken. Some plants that are available are Buffalo Grass, Sunflowers, Crazy Weed, Blazing Stars, Coneflowers, clover, and Wild Indigos. Our Grasslands temperatures can very crazy! It can get to as low as  $-40$  degrees in the winter and as high as 70 degrees Fahrenheit in the summer. Humans have impacted the grasslands a lot, by farming the land and using it for cows

So please Visit Some of the many places with a Temperate Grassland but dress appropriately because the weather is CRAZY!
